Twinned Yacht Clubs Chairmen

**Subject:** Summer mooring at our docks

Dear Chairman,

during the next summer months, as usual, we offer to the members of the clubs twinned with us, some berths for shipowners in transit in the Gulf of Naples, enjoying the opportunity to visit, a few nautical miles, the pearls of the our gulf, Capri, Sorrento and Ischia.

In addition, members will also be able to use the services of the RYCC Savoia such as snack bar-cafeteria service (if open) and changing room and related services.

Our docks are in the heart of the city of Naples, the "Borgo Marinari" of Santa Lucia district, in front of the most exclusive hotels in the city located on the seafront, with 24 hour security service.

In the nearby, just a few minutes walk, there's a 12 hour open supermarket, a restaurant-pizzeria with discounted prices (affiliated with us), in the heart of Borgo Marinari, a laundry, and the "Sea Office" nautical store, not far away, for purchasing any nautical accessory .

We also have an agreement with bicycles, cars and motorbikes rental stores.

I would be grateful if you would like to publicize this initiative of ours among the members of your club who, if interested, can contact our secretariat by email at [infovela@ryccsavoia.it](mailto:infovela@ryccsavoia.it) checking the availability, mooring costs and any other information they need.

Kind Regards
